

GILDA AND HENRY BLOCK SCHOOL OF THE ARTS

Sewing & Dying Techniques for Upcycling Textiles

Instructor: Florence Escudero

All materials are provided, but students are encouraged to bring in garments they no longer wear to experiment with.

Recommended supplies:

Bring old clothing that you are interested in repairing or cutting up to transform it into something new.

Students can also bring in buttons, thread, or anything they want to use as embellishments. When we learn to dye, please bring a disposable mask and wear clothes you don't mind getting stained.

I suggest keeping a sketchbook where you can take down notes and make drawings of ideas for potential projects.
