

92NY ART CENTER

GILDA AND HENRY BLOCK SCHOOL OF THE ARTS

Shoemaking: Ballerina Flats and Pumps

Instructor: Emily Putterman-Handler (EPutterman-Handler@92NY.org)

Course Description: This course teaches students the concepts of footwear design and how to design and construct one pair of wearable shoes. Students develop skills for working with a last and learn pattern making, construction, and lasting techniques for closed shoes. Students will learn all steps necessary for completing a pair of shoes. Outer soles will be attached by shoe repair.

Supplies should be purchased from:

Kaufman Shoe Repair Supplies

621 Sackett Street.

Brooklyn NY, 112170

212-777-1700 Website: kaufmanshoe.com

Mon-FRI 6:30 AM-2 PM

Sun 10:30 AM-1 PM

Please provide the following supply list when purchasing from Kaufman Shoe Repair. Sewing and soles will be done by Kaufman. Students will need to purchase further leather for their projects. The Teacher will go over leather sourcing in class. Costs are dependent on the student's project. Prices will vary.

****Students must bring this printout: No Screen Shots!!**
