

GILDA AND HENRY BLOCK SCHOOL OF THE ARTS

Lunchtime Sketchbook Hour

Instructor: Kendra Allenby

Supply list:

For this workshop students need a sketchbook or pad of paper of their choosing, and a pen or any preferred drawing pencils. A waterproof pen is recommended, but more importantly bring whatever you're already comfortable with.

Students are also encouraged to bring any other materials they like using or are interested in trying. These could include watercolors, colored pencils, markers, brush pens, pastels, digital drawing tools like a tablet with stylus etc. We will do a lot with just pencil on pen with paper, but there will be plenty of room for those who want to work with other materials.
