

AMERICAN HEART ASSOCIATION **Basic Life Support (BLS)**

Blended online education and in-person skill session

Please note that there are **TWO FEES** for this course

PART ONE - 2020 AHA HeartCode® BLS Online

Sold Separately - Purchase at this link <https://shopcpr.heart.org/heartcode-bls>
\$36.00 Fee payable directly to the American Heart Association

- Updated to reflect new science in the 2020 American Heart Association Guidelines for CPR & ECC
- The learner has a choice of completing a pre-hospital or in hospital contextualized track.
- Learners follow a continuously adapting learning path that is personalized by the learner's own inputs: Their performance, and their self-reported confidence level related to each probe. The course content is presented in the form of self-directed learning content, probes and Cognitive Assessment Activities.
- After completing the online portion, students will attend a structured, Instructor-led hands-on session that focuses on meaningful skills practice, debriefing, team scenarios, discussions of local protocols and skills testing.
- Learners may select to take the course in the following languages: U.S. English, International English (IVE), Chinese Simplified, Japanese, German, Italian, Portuguese, and Spanish.
- Online Course Duration: 1.50 Hour
- Access to the BLS Provider Manual eBook is included from within the HeartCode BLS course.

REQUIRED: At the conclusion of this AHA online academic program and the AHA evaluation, print OR save to PDF the temporary certificate send to lifesavingenterprises@gmail.com
Submit this proof before attending Part 2.

PART TWO - \$75.00 payable to 92NY

After completing the online portion, students attend a structured BLS Hands-On Session with an AHA Instructor. This session focuses on meaningful skills practice, debriefing, team scenarios, discussions of local protocols, and skills testing.

Students who successfully complete the cognitive portion and the hands-on session (skills) will receive an AHA BLS Provider course completion card (eCard), valid for two years. Includes: personal rescue mask with 1-way valve.

GENERAL NOTES FOR ALL TRAINING COURSES OFFERED

- ✓ Participation in the course does not guarantee certification.
