A Message from the Director

Jo F. Brown

Our knitters and crocheters continue to impress us with the quality and quantity of the hats and scarves they have created for the pediatric patients at MSKCC. The staff, patients and their families are thrilled to be remembered with the beautiful hand made hats and scarves that we have been donating since September 2011. As of March 21, we have donated **273 hats and 64 scarves!** Big thanks to Ryan Newell, for his recent donation of a case of yarn in varied colors. Please come and choose your yarn and keep knitting and crocheting these marvelous hats. Directions are available in the Senior Program office. Memorial Sloan-Kettering Cancer Center benefits from your generosity and we all thank you. ■

volunteer opportunities

Volunteerism is one of the most important Jewish values- to quote David Rothman of UJA Federation:

“To give back without asking for anything in return and to see your work have meaning for someone who needs it is an amazing feeling.”

For those seeking to volunteer, beyond the scope of our internal committees in the Himan Brown Senior Program, we maintain a three ring binder with scores of volunteer options that you are welcome to use to help you identify possible volunteer work.
