Monday				
Sub-Department	**Class Name**	**Description**	**Time**	**Price**
27 Art	**Cartooning: Shapes to Stories (Ages 5-7)**	Young artists will tell stories through vibrant pictures and words in classes led by professional teaching artists. Learn how to express ideas, emotions, and humor with simple materials through fun and engaging projects! Students will learn through demonstrations, hands-on activities, and group discussions in this class of serious fun!	4:00 - 5:15	$935
	Sculpture & Pottery (Ages 7-9)	Introduce your child to the world of ceramics through material exploration and building techniques, such as pinching and constructing with slabs and coils. Teaching artists create unique age-appropriate lessons that progress from ceramics basics to expressing ideas, showcasing creativity and exploring design. Class projects may include sculptures focused on telling stories, inventing fantasy animals, creating self-portraits, designing interiors and exteriors of buildings, jewelry, beads, cups, plates and more!	4:00 - 5:15	$935
	Drawing & Painting (Ages 9-12)	Designed for young artists who love to draw, paint, and explore creative techniques, this engaging art class for kids and teens helps both beginners and experienced students build confidence, creativity, and strong foundational art skills. Students will learn essential drawing and painting techniques including proportion, composition, perspective, color theory, line, shape, and form while developing keen observational skills through hands-on projects inspired by both real-life observation and imagination. This fun and supportive visual arts course encourages artistic expression, strengthens technical ability, and helps young creatives create dynamic, original artwork while expanding their understanding of fine art fundamentals.	4:00 - 5:15	$935
	Sewing & Design Level 1 (Ages 7-9)	Dive into this hands-on class where students will make their own messenger bags, backpacks, clothing and accessories through pattern-making and constructions techniques using sewing machines. All equipment, basic fabrics and materials will be provided, however students are encouraged to bring in their own materials for experimentation and repurposing. No experience necessary—this class is designed for all levels from beginning to advanced makers.	4:00 - 5:30	$985
	Jewelry & Metalwork (Ages 9-12)	Dive into 92NY's renowned professional jewelry studios for a unique opportunity for young artists to learn the craft of metalwork. Teaching artists will unpack the ins and outs of using tools and materials safely while students design and create their very own jewelry and small objects in brass, nickel and copper through age-appropriate projects. Students will learn metalsmithing techniques, including sawing, piercing, forming, finishing, chain making and cold connections.	4:00 - 6:00	$995
Afterschool Specials: Cooking	**Sticky Fingers Cooking (Ages 8.5-11)**	Sticky Fingers Cooking NYC delivers award-winning, hands-on cooking classes to schools, inspiring students to explore healthy foods, creativity, and essential life skills. Students will whip up wholesome recipes every week, explore global flavors, and dive into STEAM (science, technology, engineering, art, and math) in a fun, safe, and interactive setting. With 100% nut-free recipes and accommodations for any and all allergies and dietary needs, to ensure every child can participate in the joy of cooking.	4:00 - 5:00	$725
27 Dance	**Student Inventor (Ages 5-6)**	This class is designed for students to explore different dance styles that will spark their imagination and invite them to discover their own movement abilities and preferences. They will begin to learn skills to create their own dances, choose musical selections to accompany these dances and work collaboratively with their peers in a fun and friendly classroom environment. Their work will be shared with families at the end of the semester!	4:00 - 5:00	$640
	Ballet Beginner (Ages 10+)	In this class, dancers begin to move through a standard ballet class structure with barre and center practice. They increase their knowledge of the principles of ballet including posture, alignment, movement and vocabulary. Dancers work on artistry and creativity while beginning to build a strong technical foundation.	4:00 - 5:00	$640
	Hip-Hop Beginner (Ages 10+)	This high energy and upbeat class empowers each student's artistry while building on the fundamentals of hip-hop dance concepts, increasing the skill and virtuosity of the student.	4:00 - 5:00	$640
	Tap Intermediate (Ages 10+)	In this tap class students should have existing experience and be ready to progress past a beginner level. Dancers will develop both their technique and musicality, with a focus on jazz, swing, and Afro-Brazilian rhythms. They will also learn choreographic material, tap history and beginning approaches to improvisation.	4:00 - 5:00	$640
	Ballet Advanced Beginner (Ages 10+)	In this class, dancers begin to move through a standard ballet class structure with barre and center practice. They increase their knowledge of the principles of ballet including posture, alignment, movement and vocabulary. Dancers work on artistry and creativity while beginning to build a strong technical foundation.	5:00 - 6:00	$640
	Hip-Hop Intermediate (Ages 10+)	This dynamic and upbeat class builds upon foundational hip-hop vocabulary while challenging dancers to refine their technique, musicality, and stylistic range. Students will explore more intricate choreography, transitions, and performance dynamics while strengthening stamina, control, and artistic confidence.	5:00 - 6:00	$640
	Tap Beginner (Ages 10+)	Students will be introduced to basic tap dance technique, including rudiments, time steps, paddle variations, classic choreography and key elements of tap history to build a solid base and understanding of tap dance. The focus will be on developing as both movers and percussive musicians.	5:00 - 6:00	$640
	Choreo Lab (Ages 11+)	In this class, each student will develop their artistic voice, expand their movement capacity, and learn choreographic tools. Students will choreograph individual and group pieces using inspiration from themes that are personally relevant. Delving into dance history, students will investigate the works of choreographers of the past and present who have performed and/or developed work over 92NY's 150-year history. Students will discover how dance is used for a variety of purposes including storytelling, education, and as a tool for social change. Placing themselves within 92NY's dance lineage, they will begin to see themselves as the choreographers of the future	5:00 - 6:00	$640
	Ballet Intermediate (Ages 10+)	The Intermediate Level Ballet Technique class is for those who are proficient in ballet basics. This level adds more complex & faster tempo combinations that involve more arm movement, complicated turning, and jumping. Dancers expand their artistry, coordination and fluidity within each combination of movements while improving their technique, musicality, memory and creativity.	6:00 - 7:00	$640
27 Gymnastics	**Gymnastics - Girls Intro (Ages 5-7)**	Gymnasts learn and build upon basic tumbling, uneven bar, balance beam and vault skills, including handstands, cartwheels, back hip circles, back walkovers and more. Gymnasts typically spend 1-2 semesters in an Intro Level class before moving into a Beginner class.	3:30 - 4:30	$975
	Parkour (Ages 5-7)	Join our professional USA-Gymnastics and WFPF Parkour Certified Instructors in learning the art of quick and efficient movement through the environment, utilizing techniques such as vaults, jumps, and climbs. This class utilizes professional Parkour equipment such as a warped wall, panel wall, piping for balance, and vaulting blocks. This class helps children develop focus, strength, agility, and hand-eye coordination. Open to all levels of experience in parkour.	3:30 - 4:30	$975
