

Dear Parent or Guardian,

Welcome to Basketball at 92NY! We're delighted to have your child joining us this semester and look forward to a wonderful experience.

WHAT TO EXPECT THIS SEMESTER

Participants will develop dribbling, passing, shooting, rebounding, defense, footwork, court awareness, teamwork, and sportsmanship. The semester focuses on building confidence with fundamentals and applying skills in game situations.

Players will progress from individual skill drills to partner and team activities and structured scrimmages. Coaches will evaluate growth through participation, skill execution, decision-making, teamwork, and effort.

Participants may take part in skills challenges, friendly competitions, and an end-of-semester game or showcase. For a successful semester, attend consistently, bring a positive attitude, listen to coaching, and practice fundamentals when possible.
