Pre-requisite – Part One - 2025 AHA HeartCode® BLS Online

Sold Separately - Purchase at this link <https://shopcpr.heart.org/heartcode-bls>
\$37.00 (inc tax) Fee payable directly to the American Heart Association

- Updated to reflect new science in the 2025 American Heart Association Guidelines for CPR & ECC
 - *AHA HeartCode® BLS Online is a self-directed, comprehensive eLearning program that uses adaptive learning technology to allow learners to acquire and demonstrate Basic Life Support skills using a personalized learning path that adapts in real time to a learner's performance. The program is designed for healthcare professionals who need Basic Life Support training for their clinical duties. Utilizing a variety of eLearning assets such as dramatizations, Cognitive Assessment Activities, illustrations, knowledge checks and interactive activities, this program teaches BLS knowledge and skills. This method of learning provides training consistency and adaptability to different learning styles. Students can work at their own pace applying their knowledge to real-time decision making. Debriefings and coaching are provided immediately after each knowledge check and each Cognitive Assessment Activity.*
 - Online Course Duration: 1.50 Hour
 - Access to the BLS Provider Manual eBook is included from within the HeartCode BLS course.
- REQUIRED:** At the conclusion of this AHA online academic program and the AHA evaluation, print OR save to PDF the temporary certificate send to lifesavingenterprises@gmail.com
Submit this proof before in-person attendance at the skills program (Part 2).

PART TWO - \$90.00 payable to 92NY

BLS Hands-On Session with an AHA Instructor. Students who successfully complete the cognitive portion and the hands-on session (skills) will receive an AHA BLS Provider course completion card (eCard), valid for two years.
